14 November 1955

MEMORANDUM FOR: Director of Security

ATTENTION:

SUBJECT: Sterile Telephone, Request for

STAT

STAT

STAT

1. In relation to Project AQUATONE, we believe it would be more satisfactory from both a convenience and security standpoint for [redacted] to have a sterile telephone installed in his home in Los Angeles. This telephone would be used strictly for Project use, especially in the case of medical emergency reports to him. By having a separate telephone it would, furthermore, be easier to maintain a record of calls made.

2. Your approval is therefore requested for the installation of such a sterile telephone for [redacted]

JAMES A. CUNNINGHAM JR.
Director of Administration
PCS/DCI
